Dear Fellow Toastmasters and Guests,

Speech contests are an important part of the Toastmasters International educational program. Speech contests provide an opportunity for proficient speakers to gain contest experience, and they provide interesting educational programs for members and the public. They also allow those Toastmasters who are not participating in the contest to learn by observing the speakers.

The contests are organized twice a year (spring and autumn). The spring contests offer the International Speech Contest and Evaluation Contest, whereas the autumn contests consist of the Humorous Speech Contest and Table Topics Speech Contest. The winners of the contests represent our Area at the Division Conferences.

The Queen's Town Toastmasters Club is honored to organize Area D2 Conference featuring humorous speeches and table topics and is pleased to invite you to this special Toastmasters event.
